THANK YOU EVERYONE

By: Kristen & Anthony Femat

Anthony (1 year old son) and I would like to take the time to thank the entire Femat family, the church family and everyone in Amargosa for your love and support during this extremely difficult time in our lives. I know that Anthony and I are not the only ones who lost Martin, we are all suffering and only time will ease the pain. Your thoughts, prayers, love and support are the mechanisms that will help to ease the pain. I wish no one had to suffer any type of loss but it happens and we do, living in Amargosa with all of you makes the trials easier to get through. Once again thank you all. The Lord will get us through this. May God Bless you and keep you.

We Love you all. Kristen & Anthony Femat

LET'S TRY THIS AGAIN

We put this in last month as a Walk-A-Thon and we got no response, so we are going to try one more time. It really isn't necessary to walk in a walk-a-thon to keep our joints flexible, we can sit or stand also. The purpose to this program is to keep your joints flexible and your muscles toned. The weather is warming up, the wind has calmed down (today anyway), and there is nothing better than an afternoon full of friendship. The idea behind this program is to get the seniors in our town out of the house, to feel better and to stay somewhat active, but, there is no age limit and anyone can attend. "Being Flexy" is for everyone, so give it a try. If the idea of being flexy isn't enough let me add that after our work out we can join the crowd at the Senior Center for an outstanding meal. They begin serving at 4:00 P.M. so the timing will be perfect. We will meet for the "Being Flexy" workout at 2:00 P.M. every Tuesday and Thursday at the Senior Center. Hope to see you all there.

FROM THIS CORNER OF THE WORLD

By: Jan Cameron

'Twas the week before Christmas,
And all through the house,
Are Santas and crèches and angels and one
Christmas mouse.
The kitties are loving the five Christmas trees,
And sleep on the laps of the soft Christmas bears.
The cookie-cutter Christmas tree with hand-made
décor
Is as pretty and charming as those from the store.
And I know that my life has been truly blest
By the friends far and near who, in my heart, rest.
The cards and the packages were long ago sent,
So I've now the time to think what it all meant
On that long ago night when the star led the way
To the Mother and Father and Babe in the hay.
And while I love to get presents, handmade or from
the store,
I know that the season is about so much more.
So, while challenges and hardships in my life may
appear,
I know that I'm watched over, led and cushioned
with care.
And as the New Year approaches, my wishes will
be
That in 2010 your lives will see
Security and health and much, much glee.

I hope that you had a wonderful Christmas and that
you will have a happy, fruitful and blessed New
Year.

THE SENIOR CENTER SAYS

"THANK YOU JEAN"

At the last benefit held Jean Adams purchased a voucher donated by Mojave Development & Michael DeLee for the installation of wireless internet service. Jean then donated the voucher along with the 1st quarter of internet service to the senior center. Thank you Jean, your contribution is much needed and deeply appreciated. It is the kindness of peoples such as yourself that once again make this a great community to live in.

A YEARS WORTH OF THANK YOU'S

By: Shelly Kadrmas

There are so many people who help with so many things and to all of you thank you for another year of never ending support and countless hours of help, I live in the BEST community in the world. There are also those of you who go above and beyond any of my expectations, first of all let me thank the man who makes me what I am. To the man of my I couldn't do this without, Randy, he is always there for whatever task I have at hand, he does, cooking, hauling, cleaning, barbequing, and of course is always there to rub my aching feet when the day is over, you are amazing and I am extremely thankful that I have you as my husband and my strength. I would also like to say a huge thank you to the newly formed events committee, who have taken a huge load off of the town office and in doing so have made the community events something you don't want to miss. You all did a fabulous job on all of the events; you are the people who make living here fun. By name the forces behind the committee are: Carmen Brown (Raetz), Caroline Hamlin, Dean & Lisa Presley and Jon & Erin DeLee. Thank you all my hat goes off to you. To my Town Board, you are the greatest bosses ever. You make my job the incredibly easy with your trust in me and your never ending support. I am proud to be the one who sits behind the desk, and I thank you each of you for all you do. And last but not least to everyone in my town. You are the core, and you are what makes all things come together and work. No event could be held if it were not for your support. The success behind the benefits lay directly on your shoulders and each of you step up to the plate when a call goes out that there is a need to meet, no matter how large or small the need might be. The only thing I have to do is make a few phone calls, send a few e-mails and the issue at hand will be taken care of by all of you. Thank you all for letting me continue to be the face behind the desk. There is nowhere else I would rather sit.

May all of you have the Happiest of New Years with wishes fulfilled and an overabundance of love and laughter in your lives.
