CODE GREEN-A NEW KIDS GROUP IN AMARGOSA VALLEY

Code Green is a wonderful group of kids who are cleaning up Amargosa one mile at a time. The kids developed a plan, recruited other kids, held a meeting, set a start date and then started cleaning up litter. The group has pledged to clean up at least one mile of road every other week-end. Imagine how clean our town would be if every neighborhood formed a Code Green Group. For more information on this group please call Shelly at the town office 372-5459.

Congratulations

Caroline Hamlin was nominated and appointed as a School Board Trustee for Area 2.

Plan and Practice Your Escape

If fire breaks out in your home, you must get out fast. With your family, plan two ways out of every room. Choose a meeting place outside where everyone should gather. Once you are out, STAY OUT! Have the whole family practice the escape plan twice a year.
