News from the Library

by Leslie Scott

The Library would like to remind the community that we always have books on sale. Some of the titles have been taken from our stacks and are newer titles from popular authors. In addition, the library receives new books and DVD's on a weekly basis, so come over and look at our new titles.

Beatty High School

Dear Amargosa Valley Businesses, BHS is selling ad space in our 2010/2011 yearbook. We would really like to see some ads from Amargosa in the yearbook. Your sponsorship of the yearbook makes it affordable for our students. It is tax deductible, and demonstrates support for our community and our children. Ad space is available at very reasonable prices. Because of the distances involved in our valley it is difficult for our student salespeople to get to all of you. If you would like to place an ad in this year's annual please contact me at Beatty High School; 775 553 2595 or at home 372 1037. Thank you in advance for your support.

Michael Duszynski

Yearbook Advisor, Beatty High School

P.S. Parents of seniors who would like to buy space to congratulate their graduate are encouraged to call, too.

Possible off Road Club

I have seen a lot of jeeps and 4x4s here in the valley. I know some of you use them going off road. I would like to know if you are interested in getting together to do some off-roading in the Amargosa Valley area or Death Valley. If you are interested, please call me (Gene Butler) at 372-1282

Dear Amargosans-

by: Helga

New people come every month from all over the US to find a home in beautiful Amargosa Valley. They are always asking "Where is work here?"

I told them to call the town office as there is a listing - but - not anymore..

When I came to this Valley, I needed to call Ms. Shelly all the time to ask for help

and with her good warm voice she never let me down. She was there and gave me the right direction.

Please, to all Amargosans, we need a listing for the folks who need work and for the people who can do the work.

Remember no job is too small, if food is needed on the table.

I hope ,you all agree with me and help.

MOTHER'S DAY BRUNCH
CANCELLED

Due to the economy and many other factors beyond our control, the Amargosa Volunteer EMT's Association will unfortunately not be able to conduct the annual Mother's Day Brunch this year. We know that this will be a major inconvenience for some as this has been an annual event for more than 20 years and many of you look forward to it as a way to treat your mother on her special day. We have tried very hard to keep this event alive but it is going to be impossible this year. We appreciate all the support we have received in the past and hope we will be able to reinstate it in the future. It has always been our only fundraiser for the year and any cash donations will be gratefully accepted this year. They may be dropped off to Pam at the clinic or mailed to Amargosa EMT's Association, HCR 70 Box 537-9, Amargosa Valley, NV 89020. Again, we are truly sorry for any inconvenience this may cause.

On May 8th 2005, our beloved Doris Jackson passed away. She was a big contributor to the community.

I think that all that knew her should pay their respects by stopping at the Stateline Saloon (which she owned) to a greatly missed woman.

Thank you, *George Bedics*
