NEWS FROM THE LIBRARY

The library is considering allocating a small percentage of our materials budget on e-books and we are interested in how many members of the community would be interested in checking out e-books and what type of books they would be interested in checking out, thus, we are asking those interested to fill out a survey. For those who have internet access you can go to our website [www.amargosalibrary.com](http://www.amargosalibrary.com) and click on the link that will take you to the survey. In addition we will also have the survey available in print at the post office, Martell's Market, the clinic, and the library. Thank you for your help.

## TOWN OFFICE UPDATE ACTIVITIES SINCE LAST AVTB MEETING

A presentation was made to Thank Valley Electric Association for their generous donation of a new scoreboard to the Community Center. Tom Husted, CEO of Valley Electric, Susan Fisher, Head of Marketing and Government Relations and Sheila Rau, District 2 VEA Representative were in attendance. Also attending were AVTB Members, School Administrators and local citizens. This scoreboard is a great addition to our facility. Amargosa Days is May 10-11 and 12. This was our most successful auction in over 4 years raising \$1674. A special thanks to Northwest Academy for their help in setting up, providing food and auction items and acting as assistant auctioneers. Thanks to all who attended for their contributions and generous donations.

Schwan's Fundraiser & Parking Lot Sale- On May 4th the Senior Center will have their semi-annual Schwan's Fundraiser & Parking Lot Sale. Tables and spaces will be available for \$5 each. ## COMMUNITY INFORMATION

Yesterday morning at 7:15 a.m., I received a call from a Transportation client who is 94 years old. She asked if I could send someone over to sit with her. Upon questioning our client I found out that she has been receiving daily phone calls from a man who stated that she has won a lottery. The calls started two weeks ago, continued daily, ending with a call that he would be at her home today, to take her to her bank. I assured our client that this is a scam that I would call the Sherriff's office for her & ask for help. I told the client that this is not something that I would ask a volunteer to get involved in, that this is a matter for the Sherriff, not a volunteer. I told her many times to not answer the door unless she can see a Sherriff's car or a person with a badge. I then called the Sherriff's non-emergency number & explained the situation. A short time later I received a call back from the Sherriff's office that a Deputy was on the way that the Deputy had arrived & made contact with our client.

I called our client 1 hour later. She had received another call, asking her what color her dress is, that he was at the local Walgreens. I called the Sherriff's office again, urging a quick car to go to her home. Contacted client once again, to stay in the house, do not answer the door to anyone except a Deputy. The client was very afraid.

Today, the client assures me she is safe, that the Sherriff's officers watched her home for several hours & believe they can apprehend this one individual.

Unfortunately this is an ongoing operation all over the country. Is someone selling Senior names & phone numbers? Could it be a medical operation of some kind selling a list? Social Security agent?

### Note From The VFW

We would like to thank you all for supporting The Canteen. We've been off to a Great start and enjoy seeing new faces and Old familiar ones.

We have started up our own Little Food Bank for the people of Amargosa. We are accepting all donations of non-perishable food. If you are in need and run short of something come check us out, after 5pm.

## LET SOMEONE ELSE COOK

Once a month the "Church of Amargosa" cooks an evening meal. Sometimes it's the same date as the Senior Breakfast when a dinner isn't served. March 9th was "corned beef and cabbage" with salad, soft drink, carrots & potatoes. The meal was cooked to perfection, a huge piece of corned beef, another large wedge of cabbage and a speckled frosted cupcake to top it all off. This delivered to your door with smiling waitresses. The meal was outstanding and hot with enough left over for lunch the next day. Try one their meals, treat yourself.

## *Food Bank*

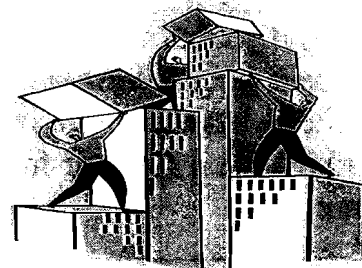

*The Ladies Auxiliary of the VFW asks that you bring canned goods/non-perishable to the VFW. These items are taken to the Pahrump VFW Food Bank to use for our area VETERANS & their families. There is always a need for more, so we appreciate your continued help.*

## AMARGOSA SENIOR CENTER

The Senior Center will be serving breakfast from 9 to 10:30 a.m. every Friday in April and May—an easy schedule to remember! The center's clientele has requested this and if it's well attended, we'll continue Friday breakfast on through the summer.

Thanks to the individuals and companies who are supporting our new building project. Also many thanks to the fifteen volunteers who have contributed more than 400 hours to get the building at the Test Site ready to move to Amargosa for our "new" Senior Center. You have brought your expertise, your tools, and spent lots of money on fuel to travel to the Yucca Mountain Project. All your efforts are sincerely appreciated.

We don't have a firm date for moving the building but hopefully by the end of April—then the real work begins!!
