Senior Center Thrift Store

The Senior Center is looking for volunteers to help with the thrift store. First we plan to clean and get the old building ready with shelving and clothes racks. Then we will sort through donations and get them ready to sell. Once we are ready to open, we will need volunteers to eventually be open on Wednesdays and Fridays. If you would like to help, please call Jean Adams at 372-1343. If I am not there, please leave a message, your name and phone number.

Fort Churchill State Historic Park

Fort Churchill was once an active U.S. Army fort. Built in 1861 to provide protection for early settlers, it was abandoned nine years later. Today the ruins are preserved in a state of arrested decay. A visitor center displays information and artifacts of the fort's history. The Pony Express and the Overland Telegraph once passed through this area. Nearby is Buckland Station, a Pony Express stop, supply center, and former hotel built in 1870. Facilities at Fort Churchill State Historic Park include trails, a campground, picnic area, group-use area and access to the Carson River. Visitors can enjoy hiking, historic and environmental education, camping, picnicking, photography and canoeing. The park is located eight miles south of Silver Springs on Alternate U.S. 95, and one mile on Fort Churchill Road.

The fort was abandoned in 1869, and the adobe buildings were auctioned for only \$750. In 1884, the remains of soldiers buried in the post cemetery were moved to Carson City. The remaining graves are those of the Buckland family, pioneer ranchers who sold supplies to the fort.

Nevada initially declined the chance to acquire the Fort Churchill grounds in 1871; it was not until 1957 that the state finally gained title. During the intervening 86 years, the fort served a variety of purposes, from a source of building materials for nearby structures, to a temporary shelter for travelers on the Carson River Trail.
