Dear Fellow Amargosans,

I would like to take just a few minutes of your time. This valley is in great need of a vet that can come here at least once a month to take care of our animals. I think that we all have an animal, whether it be a cat, a dog, horse or a cow. I would like to know how many of us would like to have a vet come into the valley.

I personally will check into a vet to come here if there is a need. You can email me at mnlogcabin@msn.com to respond to this.

Thank You

Recruitment for the Amargosa Volunteer Fire Department

The young high school graduate looking for a place to grow and learn, for the senior citizen looking for a place to share the wealth of knowledge they have acquired over the years, for the people that have a desire and a burning to make a difference in the community.

On behalf of the Amargosa Volunteer Fire Department, thank you to all the Amargosa residents that have stood up and supported us. However, the time for talking is over and the time has come to take action! There is a spot on our team of dedicated volunteers for you! So swing by the hall and grab an application!

Our next meeting will be December 13 at Hall 1 next to the clinic. Thank you for your time! Scott Harris
