CONTRIBUTION FROM Maury Choate

Hear our prayers. For animals that are overworked, underfed, and cruelly treated; for all wistful creatures in captivity that beat their wings against bars; for any that are hunted or lost or deserted or frightened or hungry; for all that must be put to death ... And for those who deal with them, we as a heart of compassion and gentle hands and kindly words. Albert Schweitzer

THANK YOU FROM BILL KIRBY FAMILY

Bill Kirby I just want to take a moment to say thank you to those of you who gave of yourselves and helped my Brother Bill Kirby in this time of need. Bill lost everything in the fire that took his mobile home. It is going to take him some time to get back on his feet.

Bill has been a member of Amargosa Valley community for almost 40 years and has given his time helping in building the church, working as a volunteer for the race track and numerous other things. He helps neighbors when needed, drives miles across the valley to help someone or give you what he has.

He has a rough exterior but if you take the time to get to know him you know he has a heart of gold. This has taken a toll on him and he could still use your prayers.

To whom ever it was who broke into his travel trailer stealing the few items that made it through the fire, I feel sorry for you. It takes a pretty low person to take from someone who doesn't have much to begin with and then take the very little that they have left. There is special place for people like you. And I hope if anyone in the area knows anything about someone breaking into Bill's trailer that you will come forward and let the Sheriff's office know.

Again thank you to those of you who were kind enough and gave of yourselves. It is appreciated more than you know.

Thank you,
Robbie Merrill (Bill's sister)
Bill Kirby

SENIOR CENTER BUILDING COMMITTEE UPDATE

The Amargosa Senior Center is on its way to having a “new” facility, thanks to the County and its acquisition of a 3,600 square foot modular building at the Test Site. Kudos to all those who have helped clean out the building, dismantle furniture, and prepare the building for moving to Amargosa.

DOE personnel, County employees, and a Senior Center Building Committee work crew have done an outstanding job coordinating and accomplishing the activities necessary to bring this project forward. The Building Committee especially appreciates financial contributions from local residents that have made this project possible.

Tentative (very tentative!) plans are for site work to begin in March; possibly moving the building in April; and interior remodel on into May and June. Long ways to go, but the Building Committee and enthusiastic seniors are moving ahead!

SENIOR CENTER MEALS IN MARCH

Mark your calendars for the Potluck and Auction at the Community Center on March 23—more information elsewhere in the newsletter.

Meals are served from 4 to 5 p.m. Monday through Friday, except for breakfasts which are served for 9 to 10:30 a.m. on the second and fourth Fridays of each month.
